Having your client(s) purchase a new home with Avalon is as easy as a few simple steps:

- Bring your client to an Avalon Master Builder Showhome/Sales Centre. Please ensure this is your client's first visit to the Avalon Showhome/Sales Centre.
- Complete this Realtor Registration Form.
- Allow the Avalon Sales Representatives the opportunity to explain the Avalon difference and show your client Avalon's product offering.
- If your client decides to purchase a new Avalon home, the Avalon's Sales Representative will complete all necessary Avalon paper work.
- This registration is valid for a 60-day period from the date of registration. If an extension is required, the client must be re-registered.

It is my understanding that the above-mentioned clients are not currently working with Avalon. I acknowledge that commissions will only be paid for sales resulting from my introduction.
